TC

I knew you had something to do with it
you little punk!

FELIX

(with Hispanic accent)

You're breaking my arm man! I didn't
do nothing!

TC

Oh, you didn't do nothing huh? Then
why you running? Huh!

FELIX

Cause you're chasing me man!

TC

Bullshit!

FELIX

I'm clean man! Oww! You're breaking
my arm!

Marcia comes down the street in the car, sees TC, throws it into park and quickly comes over gun drawn.

TC

I'm gonna let you go but you take off again, that's your ass, you got me!

FELIX

Yeah man, chill, its cool...

TC

Yeah, it's cool...

TC lets him go. He turns around and slowly starts to get up but TC pushes him back down.

TC

I didn't tell you to get up...

FELIX

What the fuck man! Police brutality!

TC

Shut up!

FELIX

What the fuck man...

TC

Shut up. Now tell me something? What's going down with that coke gig...

FELIX

Man, I don't know anything about that...

TC slaps him as he yells.

TC

Don't you fucking lie to me! You better tell me something before this hand becomes my foot up in your ass...

MARCIA

Agent Roberts...

He turns to look at her.

TC

What did I tell you in the car?

She gives him a look and goes silent. TC turns back to Felix and starts to slap him again but Felix interrupts.

FELIX

Okay man! Okay!

Marcia looks around feeling uneasy about TC's method.

FELIX (cont)

All I know is, his street name...

TC slaps him again.

TC

Bullshit! You better tell me something!

FELIX

Oww! Man! That's all I know I swear!
They call him "King Charles." Mitchell something. He lives uptown some where with some hot model chick. That's all I know man I swear!

TC

What's the address?

FELIX

I don't know man, I swear! No one does, he's got that place on lock.

TC

Look at me...look at me...if you're lying I'm coming back for you. No handcuffs no jury, just you and me. Comprenday?

Felix nods as TC starts to walk away. Felix starts to stand up but TC quickly turns and pushes him back down. He keeps an eye on him as he and Marcia head back to the car, get into it and drive off.
