

Reggio Sides

INT. MITCHELL'S LIVING ROOM - DAY

Mitchell is seated on the sofa as Reggio walks in and hands him a small bag of cocaine.

REGGIO

Just landed on our door step.

Mitchell takes it, and examines it. It's one of his.

MITCHELL

(smirks)

Definitely mine.

REGGIO

Word on the street is it came from DeCarlo.

MITCHELL

You know how I feel when people steal from me...

REGGIO

I'm on it boss but we got another problem.

He hands Mitchell a file. He pulls it out and it's a REPORT on TC and Marcia showing both their PHOTOS. Mitchell smirks. Reggio exits.

INT. MITCHELL'S LIVING ROOM - SAME

REGGIO is standing nearby.

REGGIO

You know it's a trap.

MITCHELL

Probably.

REGGIO

What are we going to do?

MITCHELL

Let me think about it.
