

INT. DINER NIGHT.

Foster walks in, the diner is dead. There is a waitress behind the counter. Foster looks around and see Tracy sitting at a booth. He goes and joins her.

TRACY

Foster, you look like shit.

FOSTER

Well its been a hell of a few days.

TRACY

Yeah, well me two. I cant even believe you called me. Telling me you got in an accident. I didn't know if you were just making it up to get me to see you, but looking at you I guess you were telling the truth. So what happened.

FOSTER

I don't think you would believe me, I don't think anyone would.

TRACY

Well that a hell of an apologue.

FOSTER

I'm serious.

TRACY

Well, you might be an asshole. But you're not a liar and if you don't tell me what the hell is going on I swear ill leave right now.

FOSTER

Ok, I was on my way to your moms place. Well I stopped at this place.. I'm still not sure why. But this girl was there, and then this thing.. It ... Affected us, it connected us, I can feel her like all the time and it gave us these powers..

TRACY

What the hell are you talking about. We break us and the first you do is get some chick?

FOSTER

No, its not like that. I feel her emotions now and they affect me, I don't know if what I'm feeling is her or me or the power... I just don't know what I'm doing anymore. but, you.. I know you. I know I love you.

TRACY

You bring me here to tell me about some other chick and then tell me you love me? What the hell is going on with you?

FOSTER

No, ok look ill start from the beginning...

Foster is cut off by Pullers voice.

PULLER

Foster! I'm going to need you to get up and come with me.

Foster is taken by surprise as is Tracy.

TRACY

Foster what the hell is going on.

FOSTER

I don't know, hold on.
